T.M. + Designs

WE use imported French plate glass only in our mirrors and they are packed with especial care in separate boxes.

The heavy cast brass handles upon our goods are manufactured for us in special designs and of superior quality and finish, the best that can be obtained. The Wardrobe and Costumer hooks and toilet screws are also cast brass and finely finished.

All goods are made with solid veneered backs and dust proof panels between all drawers.

Your attention is called to the Tillotson Toilet Fastener which is applied to all our goods. It is a rapid and perfect method of attaching the toilet to the case without the use of cleats and screws, the simplest adjustment and the strongest device yet invented for this purpose.

All goods shipped "Released," and we cannot assume any part of the risk of breakage in transit. Our responsibility ceases when goods are receipted for in good order by the Transportation Companies. No charge for burlap, packing or boxing and no allowance can be made for burlap returned.

Through freight rates will be contracted to all points and bills of lading mailed with all invoices. When overcharges occur, the expense freight bill and bill of lading should be returned to us with as little delay as possible for collection of the overcharge for your account and remittance to you when collected.

We have exceptional facilities for loading full cars; having two private Freight Houses upon our own premises, we are prepared to give careful attention to collecting and forwarding mixed cars for our customers. We employ experienced carloaders and shall be much pleased to undertake this work for you, without charge.

We carry policies of insurance to protect our customers, covering the goods which may be temporarily stored in our carloading warehouses, pending shipment.

TERMS: 60 Days Net; Two Per Cent. for Twenty Day Cash Remittance.

THIS CATALOGUE AND PRICE LIST ARE FOR THE TRADE ONLY. UNDER NO CIRCUMSTANCES DO WE SELL TO OTHER THAN FURNITURE MERCHANTS.

THE WIDDICOMB FURNITURE COMPANY

ESTABLISHED 1865
CAPITAL STOCK $400,000
GRAND RAPIDS, MICHIGAN

THE half-tone engravings in this Catalogue are all produced from photographs of furniture taken from our stock, not from special samples, and no "retouching" has been done to the engravings, hence they are faithful illustrations of the Mahogany woods we use.

We seek those customers who wish furniture of artistic design and thorough construction, every part well made from the best woods and materials; customers who are willing to pay such reasonable price that will secure the best possible article; for these reasons we give no thought to whether we can produce goods that will compete in price with other manufacturers, but endeavor to have our workmanship and materials as thoroughly good as possible, the sole criterion being whether the article can be made better or more durable for its use, consequently, quality is the first consideration with us.

We do not care to sell any piece of furniture that is not as good in every respect as though the purchaser had personally selected the materials and himself watched the processes of construction in our factory; relying upon the faithful and intelligent assistance of our five hundred workmen, many of whom have been with the Widdicomb Furniture Company since it was organized, all employed by the day that their work shall be done in exact accord with the methods we use, and selling only to Furniture Merchants, the purchaser of our furniture through the aid of this Catalogue may repose confidence in its perfection and durability.
